## Directors' Report

---

The Directors (who are also trustees of the charitable company for the purposes of charity law) have pleasure in presenting their report and the audited financial statements of the charitable company for the year to 31 December 2018. The information on page 1 forms part of this report.

### *Structure, governance and management*

#### Governance

Postcode Community Trust is a company limited by guarantee, constituted by the Memorandum and Articles of Association and is governed by its elected Directors. New Directors are elected at half-yearly meetings and a Director shall hold office for a maximum period of four years from the date of appointment and shall then retire. Such person shall not again be appointed as a Director unless the Directors resolve that there are exceptional circumstances in that such an individual possesses specific or unique skills and expertise, experience or ability of significant value to the Company. In such circumstances, a retiring Director may, if willing to act, be re-appointed by the Directors for a second and final term of a maximum of four years and shall at the end of that second term retire altogether so that no Director shall hold office as Director for more than eight years in total.

No person shall be appointed or re-appointed as Director at any general meeting unless:

- he/she is recommended by the Directors; or
- not less than fourteen or more than thirty-five clear days before the date appointed for the meeting, notice executed by a member qualified to vote at the meeting has been given to the Company of the intention to propose that person for appointment or re-appointment together with notice executed by that person of his willingness to be appointed or reappointed.
- not less than seven nor more than twenty-eight clear days before the date appointed for holding a general meeting notice shall be given to all who are entitled to receive notice of the meeting of any person who is recommended by the Directors for appointment or re-appointment as a Director at the meeting or in respect of whom notice has been duly given to the Company of the intention to propose him at the meeting for appointment or re-appointment as a Director. The notice shall give the particulars of that person which would, if he were so appointed or re-appointed, be required to be included in the Company's register of Directors.
- The Company may by Ordinary Resolution appoint a person who is willing to act to be a Director either to fill a vacancy or as an additional Director.

## Directors' Report *(continued)*

---

### *Structure, governance and management (continued)*

- The Directors may appoint a person who is willing to be a Director, either to fill a vacancy or as an additional Director, provided the appointment does not cause the number of Directors to exceed any number fixed by or in accordance with the Articles as the maximum number of Directors.

Unless otherwise determined by ordinary resolution, the number of Directors shall not be subject to any maximum, but shall not be less than three. The Board of Directors shall at all times comprise a majority of non-remunerated Directors.

### Directors' induction & training

Directors receive an induction handbook covering all relevant policies, procedures and any other relevant information. They also have the opportunity for yearly training and continued professional development.

### Directors' Responsibilities

The Directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the directors have prepared the financial statements in accordance with United Kingdom Accounting Standards, comprising FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", and applicable law (United Kingdom Generally Accepted Accounting Practice). Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period.

In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Statement of Recommended Practice: Accounting and Reporting by Charities (2015);
- make judgements and estimates that are reasonable and prudent;

# Postcode Community Trust

## Directors' Report *(continued)*

---

### *Structure, governance and management (continued)*

- state whether applicable UK Accounting Standards, comprising FRS 102, have been followed, subject to any material departures disclosed and explained in the financial statements; and,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue to operate.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006 and the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

### Risk management

The Directors have a risk management strategy which comprises:

- evaluation and review of risks to the Trust and its External Lottery Manager (ELM) at each Audit & Risk Committee meeting, and full Board meeting against the Risk Register;
- the Risk Register will be managed on a day-to-day basis by the Trust executive management team and they will establish systems and procedures to mitigate these risks;
- in the event of a risk rising above 'high' the Directors must implement procedures to manage any potential impact.

This strategy has identified the following key risks:

- Risk of the Government changing the law in relation to Society Lotteries. A review of the law relating to Society Lotteries is on-going, and both Directors and the Trust executive management team keep up-to-date with any information in relation to this.
- Risk of losing Gambling Licence due to non-compliance with the Gambling Commission Licence Conditions and Code of Practice. Again, this is managed by adhering closely to the LCCP and being aware of anticipated changes to guidance and keeping abreast of industry best practice.

# Postcode Community Trust

## Directors' Report *(continued)*

---

### *Structure, governance and management (continued)*

- Risk of dependence on one source of income and this income being lost. If the income were to reduce, this would be on a gradual basis. The Trust executive management team receive daily reports regarding ticket sales, so would be aware of any issues very quickly and these would be communicated to Directors.

### Management

The business of Postcode Community Trust is managed by the Directors who exercise all the powers of the Company. No alteration of the Memorandum or Articles and no such direction shall invalidate any prior act of the Directors. The Directors ultimately decide the procedures for selection of projects and the amounts of grants involved. Directors meet half-yearly. These are chaired and fully minuted to discuss and decide the following:

- Management of the Trust's Society Lottery, including social responsibility and current management by the Trust's External Lottery Manager
- Applications received
- Outcomes of completed projects
- Progress of current funding
- New funding streams/programmes
- Review of finances
- Review of risk register
- Any other business

The Directors of Postcode Community Trust engage Postcode Lottery Limited (who operate under brand name People's Postcode Lottery) as their external lottery manager.

The Trust engages MacRoberts LLP as its solicitor to use in all cases where legal services are required.

### Staff Structure

The Board of Directors appointed an Executive Manager of Postcode Community Trust to oversee the day-to-day administration of the Trust. The Executive Manager is responsible for strategy advice and the day-to-day operations of Postcode Community Trust. The Manager appointed the Trust Manager to undertake day-to-day activities including the following:

- Screening of all funding proposals, preparing a list with three categories of projects: proposed for funding, not-decided, and rejected - based on approved funding criteria

# Postcode Community Trust

## Directors' Report *(continued)*

---

### *Structure, governance and management (continued)*

- Assessing complete applications and providing short summaries for the Directors to make decisions
- Creation of quarterly summary reports detailing all of the above. It is the responsibility of the Manager and the Chairperson to approve the list of projects proposed for funding which request funding below £10,000
- Management of Directors' meetings including consultation with Directors where desirable or needed
- Management of marketing/communication on behalf of the Trust including websites, newsletters, publicity etc.

The Directors also appointed a Trust Finance Manager to take responsibility for the financial management for Postcode Community Trust including the following:

- Monthly financial updates including income position, breakdown of costs, and awards made
- Management of the bank account which will receive payments direct from the Postcode Lottery Limited
- Making payments to recipient projects
- Reporting of lottery proceeds to Gambling Commission

As part of services provided as outlined in the Services Agreement that exists between the Trust and Postcode Lottery Limited, staff mentioned above are employed by Postcode Lottery Limited. Salaries for key management personnel are determined by the Directors of Postcode Lottery Limited.

### *Objectives and activities*

Postcode Community Trust is solely funded by the proceeds of its society lottery and awards grants to good causes and charities.

Postcode Community Trust supports projects which fit one or more of the following purposes:

- the prevention or relief of poverty;
- the advancement of health;
- the advancement of citizenship or community development;
- the advancement of public participation in sport;
- the advancement of human rights, conflict resolution or reconciliation;
- the advancement of environmental protection and improvement; and,

### *Objectives and activities (continued)*

- the relief of those in need by reason of age, ill health, disability, financial hardship or other disadvantage.

The Trust provides two main funding streams funding projects that advance health, community development, participation in sports and the relief of those in need.

- *Community Grants Programme*  
Allows charities to apply for 12-month project funding ranging from £500 up to £20,000 undertaken in Great Britain. Decisions are made on a twice-yearly basis. Registered charities can apply for up to £20,000. Community groups not formally registered as a charity can apply for up to £2,000. Postcode Community Trust had two funding rounds in 2018.
- *Magic Little Grants Programme*  
Local charities and community groups delivering sports or physical activity projects can apply for £250 or £500 through this programme. This grants programme is outsourced to Local Giving who provide unrestricted grants on behalf of grant makers to local charities and community groups to support their work. Magic Little Grants had one funding round in 2018.

Postcode Community Trust operates its own society lottery which is regulated by the Gambling Commission under certificate 000-037612-N-318384 and 000-037612-R-318383. The Trust engages Postcode Lottery Limited (PLL), trading as People's Postcode Lottery, as its External Lottery Manager. In 2018 PLL operated three draws on behalf of Postcode Community Trust.

### Grant making policies

Postcode Community Trust provides funding opportunities to small organisations, community groups and charities in Scotland, England and Wales, through grants ranging from £500 - £20,000. Postcode Community Trust aims to distribute funds according to areas where players of PPL are at their highest concentration.

### *Achievements and performance (continued)*

Cinema Connecting Community (The advancement of citizenship or community development) were awarded £2,000 to work with isolated, hard to reach & senior citizens particularly from the Croydon BME community to engage in regular screening of Asian films (with English sub titles) followed by discussions over a cup of tea.

Herts Disability Sports Foundation (The advancement of public participation in sport) were awarded a grant of £18,590 to enable people with a disability in day service to become more active in a way that works for them. Funding allowed the group to purchase sport equipment, room hire and staff training in first aid and safeguarding.

Soccer4All Youth FC (The advancement of public participation in sport) received a grant of £2,000 to coach children to play football. Funding enabled the group to create young football teams, work with wider community, local health groups and reach postcodes in deprivation.

### *Financial review*

All the funds received from the proceeds of People's Postcode Lottery relating to Postcode Community Trust have been included in the financial statements. This amounted to £8.73m (2017: £9.59m). Of this, 40%: £3.48m (2017: 40% £3.83m) is given out as prizes and 28%: £2.45m (2017: 30% £2.88m) is retained by our External Lottery Manager which is Postcode Lottery Limited. The remaining 32%: £2.79m (2017: 30% £2.88m) is managed by Postcode Community Trust. Postcode Community Trust promoted three draws throughout 2018.

£2.45m (2017: £2.97m) was given out in grants for charitable activities with £76.4k (2017: £85.8k) of costs to support these activities. Of this £6.4k (2017: £7.5k) was included in Governance costs.

### *Reserves Policy*

Reserves should be held to service an unexpected need for funds, covering unforeseen day-to-day operational costs, a shortfall in income or to fulfil its obligations.

The Trust's sole income is generated by its society lottery operated by its External Lottery Manager, People's Postcode Lottery.

# Postcode Community Trust

## Directors' Report *(continued)*

---

### *Financial review (continued)*

Reserves are set according to our budgeted income and against our obligations for continuous funding for our supported charities. It is intended to mitigate uncertainty relating to our cash flow and to ensure that there are sufficient reserves to cover any shortfalls against income.

We aim to set general reserves at a maximum of £500,000. At 31 December 2018, total reserves are £386,202 which entirely relate to general reserves. This level is adequate to cover day-to-day expenditure and a proportion of this will be allocated to fund grants during the first funding round of 2019.

### *Plans for future periods*

We believe that the charity has a sound financial basis upon which to build for the future.

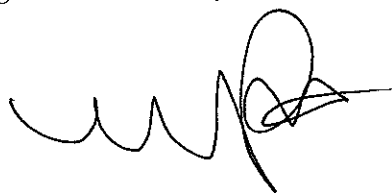

In 2018, Postcode Community Trust aims to continue to support communities through the funding of grass-roots sports, arts and recreation programmes and healthy living initiatives that improve a community's physical and mental health.

### *Statement of disclosure of information to auditors*

So far as each of the Directors at the date of this report is aware, there is no relevant audit information of which the charity's auditors are unaware. Each Director has taken all the steps that he/she ought to have taken as a Director in order to make himself/herself aware of any relevant audit information and to establish that the charity's auditors are aware of that information.

The report was prepared in accordance with the special provisions of the Companies Act relating to small companies.

The financial statements on pages 14 to 25 were approved by the Directors on 14th May 2019 and signed on its behalf by:

### Report on the audit of the financial statements

---

#### *Opinion*

In our opinion, Postcode Community Trust's financial statements (the financial statements“):

- give a true and fair view of the state of the charitable company's affairs as at 31 December 2018 and of its incoming resources and application of resources, including its income and expenditure, and cash flows for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 102 “The Financial Reporting Standard applicable in the UK and Republic of Ireland”, and applicable law); and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005 and regulation 8 of the Charities Accounts (Scotland) Regulations 2006 (as amended).

We have audited the financial statements, included within the Directors' report and financial statements (the “Directors Report”), which comprise: the balance sheet as at 31 December 2018; the statement of financial activities (including income and expenditure account), statement of cash flow for the year then ended; and the notes to the financial statements.

---

#### *Basis for opinion*

We conducted our audit in accordance with International Standards on Auditing (UK) (“ISAs (UK)”) and applicable law. Our responsibilities under ISAs (UK) are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### *Independence*

We remained independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, which includes the FRC's Ethical Standard and we have fulfilled our other ethical responsibilities in accordance with these requirements.

# Postcode Community Trust

## Independent auditors' report to the members and trustees of Postcode Community Trust *(continued)*

---

### *Conclusions relating to going concern*

ISAs (UK) require us to report to you when:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charitable company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

We have nothing to report in respect of the above matters.

However, because not all future events or conditions can be predicted, this statement is not a guarantee as to the charitable company's ability to continue as a going concern. For example, the terms on which the United Kingdom may withdraw from the European Union are not clear, and it is difficult to evaluate all of the potential implications on the charity's activities, beneficiaries, suppliers and the wider economy.

---

### *Reporting on other information*

The other information comprises all of the information in the Directors' Report and Financial Statements other than the financial statements and our auditors' report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, accordingly, we do not express an audit opinion or, except to the extent otherwise explicitly stated in this report, any form of assurance thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify an apparent material inconsistency or material misstatement, we are required to perform procedures to conclude whether there is a material misstatement of the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report based on these responsibilities.

With respect to the Directors' report we also considered whether the disclosures required by the UK Companies Act 2006 have been included.

Based on the responsibilities described above and our work undertaken in the course of the audit, ISAs (UK) require us also to report certain opinions and matters as described below.

# Postcode Community Trust

## Independent auditors' report to the members and trustees of Postcode Community Trust *(continued)*

### *Directors' Report*

In our opinion, based on the work undertaken in the course of the audit the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and the Directors' Report has been prepared in accordance with applicable legal requirements.

In addition, in light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we are required to report if we have identified any material misstatements in the Directors' report. We have nothing to report in this respect.

---

### *Responsibilities for the financial statements and the audit*

#### *Responsibilities of the trustees for the financial statements*

As explained more fully in the Directors' Responsibilities Statement set out on pages 3 and 4, the trustees are responsible for the preparation of the financial statements in accordance with the applicable framework and for being satisfied that they give a true and fair view. The trustees are also responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

#### *Auditors' responsibilities for the audit of the financial statements*

We have been appointed as auditors under section 44(1) of the Charities and Trustee Investment (Scotland) Act 2005 and under the Companies Act 2006 and report in accordance with the Acts and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditors' report.

## Postcode Community Trust

### Independent auditors' report to the members and trustees of Postcode Community Trust *(continued)*

#### *Use of this report*

This report, including the opinions, has been prepared for and only for the charity's members and trustees as a body in accordance with section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and the Companies Act 2006 and regulations made under those Acts (regulation 10 of the Charities Accounts (Scotland) Regulations 2006 (as amended) and Chapter 3 of Part 16 of the Companies Act 2006) and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

---

#### Other required reporting

---

##### *Matters on which we are required to report by exception*

Under the Companies Act 2006 and the Charities Accounts (Scotland) Regulations 2006 (as amended) we are required to report to you if, in our opinion:

- we have not received all the information and explanations we require for our audit; or
- adequate and proper accounting records have not been kept; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

---

##### *Entitlement to exemptions*

Under the Companies Act 2006 we are required to report to you if, in our opinion, the trustees were not entitled to: prepare financial statements in accordance with the small companies' regime; and take advantage of the small companies exemption from preparing a Strategic Report. We have no exceptions to report arising from this responsibility.

Donations, legacies and similar incoming resources are included in the year in which they are receivable, which is when the charity becomes entitled to the resource. Income from other trading activities include gross proceeds from the sale of Lottery tickets before deduction of up to 40% of proceeds for prizes and up to 30% for operations costs.

The expenditure on raising funds consist of direct expenditure including prize monies as well as operational costs including marketing and PR.

#### Cash and cash equivalents

The Trust considers all highly liquid investments with original maturities of three months or less to be cash equivalents.

#### Debtors

Trade and other debtors are recognised at the settlement amount due. Prepayments are valued at the amount prepaid net of any trade discounts due.

#### Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in a transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.
